

# Nursing Homes Week 2024: August 19th - 25th

Here are some ways you can support your local nursing home during **Nursing Homes Week!**

Scan for More

- **Volunteer Your Time:**

- If you have photography skills, volunteer to take photos during events and workshops. Spend time with residents, engage in conversations, and participate in activities to provide companionship and support.

- **Donate Supplies or Resources:**

- Donate cameras, photo paper, or other photography supplies to nursing homes or contribute decorations, craft supplies, or snacks for events and parties

- **Participate in Events:**

- Attend events that are open to the public to show your support and interact with the residents. If you have family members in nursing homes, involve them in the planned activities and create new memories together.

- **Spread the Word:**

- Share information about Nursing Homes Week on your social media platforms. Make use of hashtags such as **#NursingHomesWeek2024** and **#MomentsCapturedLifeCelebrated**.

- **Educational Workshops:**

- If you have expertise in photography or other relevant fields, offer to conduct workshops for residents and staff. Share inspiring stories or provide educational talks on topics of interest to residents.

- **Create and Share Content:**

- Help residents create photo albums or memory books that capture their life stories and experiences. Write blogs or create video content highlighting Nursing Homes Week events and the importance of supporting nursing home communities.

These are just a few ways you can help support your local nursing homes and support Nursing Homes Week. Head over to [www.nhi.ie](http://www.nhi.ie) for more information!
